The Hon. John W. Kirwan, M. L. C., Kalgorlie Miner. The London Daily Mail has the folowing to say of the editorial confer-

ence of the Empire soon to take place in Loudon and which the editors to arrive on the Marama are going to attend: Sir Hugh Graham, who has arrived

judgment for the Territory in the lat in London as first of the delegates to ter's suit against Cotton Brothers & the Imperial Press Conference, has Co., for the value of a dredger lost at won fame in more fields than one. He Pearl Harbor in November 1902. The started life as an apprentice in the emsurety company was on the bond of Cotton Bros. & Co. for \$32,000 in the company's appeal to the Supremic Court of the Territory.

Started life as an apprentice in the employ of a Montreal evening paper at the age of fifteen. Today at sixty-one company's appeal to the Supremic Canadian daily journals, including the Canadian daily journals, including the Montreal Star

He has taken a leading part in many Captain Piltz, which went down to imperial movements. Ten years ago Midway, sailed from that place April he took up the cause of the fudian Pamine Fund, and as a result £20,000 was subscribed in Canada, He had much to do with the desnatch of the Canadian contingents to South Africa His philanthropies are famous from end to end of the Dominion.

There is one thing Sir Hugh Graham refused to do, and that is to talk of himself. When asked about his own doings he quickly turned the conversation to impersonal topics.

"The Imperial Press Conference idea W. Ahana Co., is a magnificent one so far as generous hospitality and good intentions are 62 King St. Phone 621, concerned," said Sir Hugh. "But it

will be absolutely abortive of important beneficial results unless one of them is an awakening of the Eritich and possibilities and a direction is given to British emigration that will result in the figures of the British population being sustained in comparison known and needs no reiteration that Bendigo Bendigo Advertiser; Thomas lans as British, for they are loyal to Kirwan, Kalgooriic, The Miner, the Crown. The foreign population of whole in not holding its own. Canada For the British.

"It needs no influence of a Press Conference to spur the loyalty of the British Canadian majority, but there Our letter files are the most service- will be no British Canadian majoric r something is not done to perpetuate

promoters if it leave behind only the recollection of a junketing tour "If the people of the British Isles could be on the ground to see the stream of immigrants flowing into Can- News; Dr. F. V. Engelenburg, Preada, and to find the British part less

than a half, they would be startled and alarmed by the oursish of these foreign Pt. Elfanbeih, Eastern Provincial people scrambling to take up the fer tile acres. If the Press of Canada and the British Isles could be induced to tein, The Post. join hands in an endeavor to get the List of Entertainments truth about Canada into the minds of intending emigrants and devise meas, and receptions of the Imperial Conares for giving more of a helping hand to the emigrants after arrival, British

preponderance in Canada might be as sured for long years. "Some people will say that in matters affecting emigration nature should be permitted to take its course, and should not be stimulated or restrained by artificial means. That might be true if there was an utter absence of influence exerted in determining all emigrants' destinations, but when steamship companies, railway companies, and Government commission for private hospitality. agents find that Austrians, Scandinavlans, Germans, Poles , Italians can be for the British they are very apt to leave the stolid Britisher to his own reflections, while these companies are growing rich by filling their ships and to see continued not only British by her at Ranclakh, preponderance of population, but over ticians would never have any doubt or tion, Mr. Balfour presiding. Reservningryings as to the ow
